Description

Located within exclusive Key Colony Beach, nestled on a lushly landscaped, oversized lot, lies a stunning Oceanfront estate of unrivaled opulence. Boasting in-ground saltwater pool and spa, private sandy beach, firepit, built-in outdoor kitchen, and sprawling composite dock with 40K boat lift, this home caters to elevated Florida Keys living, and the 13,659 Sq. Ft. manicured lot across the street is also included in the sale where you can add a guest house or 2nd home. Enter through soaring glass doors into an elegant foyer, where turquoise Ocean Views are the focal point of the courtyard in the heart of the home. In the South wing, a gorgeous Great Room features access to both the courtyard and a covered veranda, boasting views of the grounds, pool, and Open Water. A well-appointed wet bar, complete with refrigerator and wine cooler, lends itself to entertaining. In the North wing, the showstopping Chef's Kitchen, with premium appliances, including gas range, and large island with storage and seating, is designed for hosting memorable gatherings. Visitors will enjoy superior accommodation in either the downstairs guest suite, or either of two upstairs en suite guest bedrooms. Retire to a palatial primary suite, with large walk-in closet with laundry, luxurious en suite, sitting area, and built-in wet bar, provided abundant privacy in the upstairs South wing. Wake up to magnificent Ocean Views and enjoy morning coffee on the private primary balcony. Outside, host memorable events in the lush backyard oasis. Lounge poolside on the sun deck or beachside in a shaded hammock. Grill up your fresh catch and enjoy sunset cocktails from the well-appointed, built-in outdoor kitchen, and cozy up by the firepit under a blanket of stars, to enjoy balmy ocean breezes. This spectacular property is designed for resort-style living, situated in sought-after Key Colony, boasting incomparable community amenities and with convenient proximity to delectable dining and stores in town
