Description

Prepare to be impressed- this impeccably upgraded, gorgeously finished home offers the level of quality & amenities buyers usually only find in homes far above this price point. Hand-scraped hardwood floors are rich & inviting, the charming family room has T&G ceilings & custom fireplace. Spacious kitchen has granite countertops, butcher block island, breakfast bar & ample cabinetry & pantry storage. Featuring TPO roof (2018) newer windows (2022), stucco (2014), epoxy floors (2025) water heater (2025) & refrigerated air (2025), this home blends peace of mind w/ modern efficiency. Gorgeous primary suite is generously sized w/ organizers in the walk-in closet + zen primary bath has been remodeled w/ knotty alder cabinetry, anti-fog mirrors, walk-in shower w/ 2 shower heads & soaking tub.
