Description

Don't miss this rare opportunity to own an incredibly versatile property just minutes from Lake Hopatcong. Ideal for remote work, private practice, or a small business setup, this spacious home offers flexibility on every level. The first floor features a highly adaptable layout with 3 bedrooms, a cozy living room, two bonus rooms perfect for offices or guest use, a convenient kitchenette, half bath, and charming terracotta flooring an excellent setup for mixed-use or extended living arrangements. Upstairs, the second floor offers a warm and inviting living room, a sun-filled eat-in kitchen with custom cabinetry, 3 additional bedrooms, and a full bathroom, all highlighted by beautiful hardwood floors. The fully finished walk-up attic on the third level provides a wide-OPEN Space ideal for a playroom, studio, or additional living area limitless potential to FIT your needs. A full unfinished basement with its own private entrance adds even more versatility, suitable for a gym, workshop, storage, or future expansion. Additional features include knotty pine doors, hardwood and terracotta flooring throughout, two separate HVAC units, multi-zone electrical, and a private laundry/utility entrance. Set on a gated lot with ample off-street parking, this unique property blends flexibility, charm, and a prime location.
