Description

Discover a truly unique triplex condo in Bay Ridge that offers the space, comfort, and flexibility of a full-sized house—without sacrificing the convenience of condominium living. Spanning three thoughtfully designed levels, this exceptional residence delivers the kind of square footage that’s nearly impossible to find in NYC apartment living. The sunlit main floor greets you with an open-concept living and dining area featuring oversized windows, warm hardwood floors, and an easy flow ideal for entertaining. The chef-friendly kitchen offers abundant cabinet storage, prep space, and stainless steel appliances—perfect for everything from quick weeknight meals to weekend hosting. The upper level serves as your private retreat, with spacious bedrooms, impressive closet capacity, and tranquil separation from the main living areas. Downstairs, the expansive lower level unlocks true versatility: create a home gym, playroom, office suite, media lounge, or guest level—whatever your lifestyle demands. With this kind of square footage, you’ll finally have room to grow into your home, not out of it. Additional features include in-unit laundry, energy-efficient systems, and smart storage solutions on every floor. The boutique condominium is well-maintained, secure, and community-oriented—an ideal blend of privacy and ease. Private parking is available for a nominal monthly fee. All this sits just moments from Shore Road Park, the waterfront greenway, beloved Bay Ridge restaurants, local cafés, and excellent transportation options like the R train and express bus routes. If you’re looking for a spacious Bay Ridge triplex condo that lives like a house, offers rare flexibility, and positions you perfectly within one of Brooklyn’s most beloved neighborhoods—this is the home that finally checks every box.
