Description

One or more photo(s) has been virtually staged. Welcome to the effortless coastal lifestyle you've been dreaming of. Tucked inside one of Bradenton's most sought-after gated communities, this beautifully designed condo places you minutes from the Gulf of Mexico, Anna Maria Island's sugar-soft beaches, and the sparkling blue waters of Palma Sola Bay. Here, every day feels like vacation - sunshine, salt air, vibrant sunsets, and endless outdoor living are simply part of the rhythm. Set within a community inspired by relaxed Key West architecture, this residence offers the perfect blend of comfort, privacy, and coastal elegance. Inside, the open layout is bright and inviting, framed by tall ceilings, impact windows, and generous living spaces that echo the airy, sun-washed feel of Southwest Florida. The heart of the home is a spacious kitchen with granite counters, stainless steel appliances, and a breakfast bar ideal for casual mornings before heading out for a paddle on the bay or a walk along the community trails. The primary suite is a serene retreat with a private balcony - perfect for morning coffee, quiet evenings, or watching soft coastal rain roll across the pond. A large walk-in closet and spa-style bath elevate the sense of everyday luxury. Two additional bedrooms create flexible space for guests, a home office, or multi-generation living. Step outside and the lifestyle expands around you. Spread across 30 acres of preserved Florida beauty, the community offers three shimmering ponds, wide-open green spaces, mature tropical landscaping, and peaceful spots to unwind. Spend your days enjoying the heated resort-style pool, fire pit, putting green, fitness center, and clubhouse designed for gathering, entertaining, and connecting. Launch a kayak at the community's bayfront deck, fish at sunrise, watch wildlife, walk the dog, or simply breathe in the Gulf breeze. With two under-building parking spaces, elevator access, a storage cage, and the convenience of being just minutes from IMG Academy, the Robinson Preserve, Palma Sola Botanical Park, and exceptional dining and shopping, this location truly captures the best of Florida's Gulf Coast. Whether you're seeking a full-time residence or a seasonal escape, this condo offers more than a home - it offers a lifestyle defined by sunshine, wellness, water, and the freedom to enjoy it all year long.
