## Description

CORNER UNIT! See straight through to the sunset! New A/C and impact windows/doors, tile floors throughout, open floor plan and under 3 miles to the beach!!!! One of the most spacious 2-bed, 2-bath units in Barcelona North, this second-floor condo delivers open-concept living at a price that outperforms the rest of the neighbourhood. From the moment you step inside, the view pulls you forward, past the kitchen island, through the living area, and all the way to the screened west-facing lanai where South Florida sunsets play out every evening. Both bedrooms are private en-suites, a genuinely rare feature at this price point.
