Description

Stunning 4-bedroom villa with self-contained apartment and panoramic outlook Step into a world of luxury and comfort with this exceptional 4-bedroom, 3-bathroom villa, featuring a self-contained 2-bedroom apartment that provides flexible options for guests, extended family, or rental income. The villa has been thoughtfully designed to create a seamless flow between the indoor living areas and the expansive outdoor entertaining spaces, enabling effortless hosting and relaxation. The heart of the home opens onto a spacious living and dining area, filled with natural light, which leads directly out to the terrace and pool. Here, you can unwind by the large private pool, entertain friends, or simply take in the breathtaking panoramic views across the surrounding landscape. Every element of the property has been crafted to enhance the sense of openness and tranquillity, creating a genuine sanctuary. Located just a five-minute drive from the vibrant centre of Puerto del Carmen, the villa offers both privacy and peace while staying close to restaurants, shops, beaches, and key amenities. Whether you're targeting a luxurious family home, a high-performing investment, or a stylish holiday retreat, this villa delivers a rare blend of space, functionality, and prime positioning.
