## Description

Welcome to your haven in this fully reimagined and rebuilt dream home off the popular Moonridge Corridor. Enjoy the many craftsmanship choices such as the chinking with hand beveled wood on the exterior and the alder wood cabinets, doors, and baseboards inside. The fully furnished house boasts a first floor bedroom and bath and upstairs, another three bedrooms including a room with Queen and Full bunkbeds trimmed in barn wood. Entertain outdoors barbequing on the large Tec deck, playing shuffleboard, or sitting around the gas firepit watching the night sky and soaking in the 8 seat hot tub. Landscaped, hardscaped, and perfectly maintained. Turnkey. The cement driveway is flat, no worries about driving up and down a hill in the snow. Minutes to the ski slopes, Alpine Zoo, Moonridge coffee and retail shops. The 8th bed and 3rd bathroom is in the separate 394 square feet living quarters with fireplace, fridge and microwave above the garage, both permitted in 2018.
