## Description

Welcome to your haven in this fully reimagined and remodeled dream home off the popular Moonridge Corridor. Enjoy the many craftsmanship choices such as the chinking with hand beveled wood on the exterior and the alder wood cabinets, doors, and baseboards inside. The fully furnished house boasts a first floor bedroom and bath and upstairs, another three bedrooms including a room with Queen and Full bunkbeds trimmed in barn wood. Entertain outdoors barbequing on the large Tec deck, play shuffleboard, or sit around the gas firepit watching the night sky or soak in the 8 seat hot tub. Landscaped, hardscaped, and perfectly maintained. Turnkey. The cement driveway is flat, no worries about driving up and down a hill in the snow. Minutes to the ski slopes, Alpine Zoo, Moonridge coffee and retail shops. The 8th bed and 3rd full bathroom is in the separate Additional Dwelling Unit above the garage, both permitted in 2018. Flat level lot for easy access with 440 feet of poured concrete with room for a boat, RV, and all your vehicles.
