Description

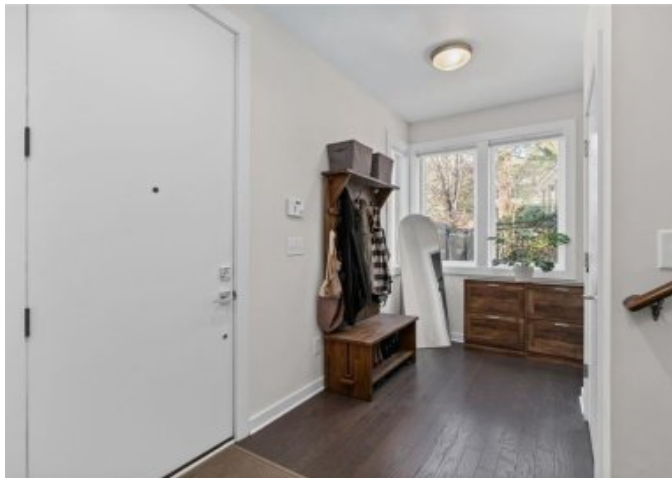

Live in the center of Atlanta's vibrant intown scene. Welcome to Four15 Stacks - a rare 4-bedroom end-unit townhome located approximately 0.4 miles from the BeltLine and moments from Krog Street Market, Fetch Dog Park, Edgewood dining, coffee shops, and nightlife. This is the largest floorplan in the community and one of the few homes offering exceptional indoor-outdoor living with both a wrap-around side deck and a private rooftop terrace with skyline views - ideal for relaxing mornings, evening gatherings, and entertaining. Filled with natural light from its northeast corner placement, the main living level is designed for modern living and hosting. The sleek kitchen features white lacquer cabinetry, quartz countertops, high-end appliances, and a timeless tile backsplash, all flowing seamlessly into the living and dining spaces and out to the oversized deck. The dedicated dining area provides a defined space not often found in contemporary townhome design. Upstairs, two spacious bedrooms each feature private ensuite baths. The primary suite offers soaring ceilings, corner windows with custom blinds, dual custom closets with wooden shelving, vaulted storage, and a spa-style bath with double vanity and walk-in shower. Laundry is conveniently located on this level. The lower level offers exceptional flexibility with two additional bedrooms, including one with a private full bath - ideal for guests, home office space, or fitness use. A rear-facing garage completes the thoughtfully designed layout. A standout feature: a rental permit is available, offering rare long-term flexibility and potential future investment opportunity. Residents also enjoy access to a community outdoor gathering area with seating and fire pit. Stylish, spacious, and ideally positioned near many of Atlanta's favorite destinations, this home offers the best of intown living. Come see what makes Four15 Stacks so special.
