Description

Exceptional Dordogne estate combining nature, organic farming, and sustainable tourism - Exceptional estate of several hectares in the heart of the Dordogne, offering a unique natural setting and diverse potential. Expansive meadows, orchards, woodland, and natural springs create a peaceful and inspiring environment. Flexible buildings suitable for family living, agricultural ventures, sustainable tourism, or a personal retreat. Tranquil yet accessible, with nearby villages and amenities. Perfect for a complete lifestyle project combining comfort, nature, and creativity in a preserved and inspiring setting. A rare opportunity to live, create, and enjoy one of France's most beautiful regions.
