Description

Tons of character and charm in this picturesque Ridgewood home. You will find beautiful hardwood floors and tasteful finishes throughout. The cozy living room has built-ins and a gas fireplace making it a perfect space to relax. The completely remodeled kitchen has been updated with quartz countertops, new appliances and refinished cabinets. The large dining room has chair rail, crown molding and a built-in corner cabinet. There is an updated half bath on the main floor and a storage/mud room area leading to the attached 2 car garage. Upstairs you will find 3 bedrooms with unique features and plenty of closet space. The primary bedroom with en suite bath is connected to a bonus room currently being used as an office. The basement is fully finished with two separate living areas and an updated full bathroom. There is a separate stairway in the basement leading up to the garage. This home's outdoor space offers a tranquil park like atmosphere with landscape and greenery that provides privacy and beauty. In the back, there is an enclosed porch as well as open patio spaces for entertaining.
