Description

Affectionately known as "Chipmunk Retreat", this 3 bedroom, 2 bathroom home has everything you need for a lovely home in the mountains. This open concept home has vaulted T&G ceilings, rock feature fireplace and a window wall which brings in lots of light to the main living area. All three bedrooms and two bathrooms are situated on this main floor, with the primary bedroom having an ensuite. Downstairs is a second living area equipped with bed & trundle for additional sleeping space. This home also has an additional 670 square foot heated game room (converted garage) that could work as an artist studio or at home office. Situated on a fairly level, forested lot, with plenty of wildlife to keep you entertained for hours. New flooring throughout the main level, paint, updated bathrooms and fully furnished means this home is ready to go as a turn key property, hot tub included!
