Description

Arrive home to a setting that feels impressive and welcoming, where modern architecture and lush landscaping create a beautiful first impression, sunlight filled home, setting the tone for bright, open living and effortless entertaining. With five spacious bedrooms and 9.5 baths, everyone enjoys privacy while still gathering in expansive living areas that flow seamlessly outdoors. Picture mornings by the pool, afternoons hosting friends with doors wide open, and evenings winding down in a serene primary suite designed for true relaxation. Every space feels intentional, elegant yet comfortable, grand yet inviting. This is a home made for celebrating milestones, creating memories, and enjoying the kind of lifestyle where indoor comfort and outdoor living blend perfectly into everyday life. Wake up to sunlight pouring through glass walls and step into a resort-style backyard, your private pool shimmering against clean, modern lines. This new, never-lived-in Oppenheim Luxury Home (Residence 04) in Botaniko, Weston was designed for effortless indoor-outdoor living. This Home pairs a warm minimalist aesthetic with expansive windows, a generous primary suite, and a seamless great-room plan that opens to alfresco dining and lounging. The modern entry, lush landscaping, and ample parking set a sophisticated tone the moment you arrive. Botaniko life means serenity with style: a guard-gated enclave crafted by Chad Oppenheim, FAIA and Roney J. Mateu, FAIA, spread across ~121 beautifully landscaped acres with lakes, walking/jogging/biking paths, and pocket parks. Many Oppenheim Residence 04 specifications include smart-home-ready features and chef-grade appliance packages—perfectly suited to today's lifestyle. Weston checks every box: repeatedly ranked among the Best Places to Live and one of the Safest in the U.S., with abundant parks, 50+ miles of designated biking routes, and an active city recreation program. Daily convenience is unmatched—major highways are minutes away, and Cleveland Clinic Florida anchors world-class healthcare nearby. Your everyday rhythm: sunrise coffee on the terrace, a midday ride on Weston's bike paths, a quick drive to Weston Town Center for dining and errands, then sunset by the pool while breezes move through the great room's glass sliders. At night, retreat to a calm, gallery-like primary suite that feels connected to nature, true to Oppenheim's philosophy of architecture in harmony with its setting. If you're seeking a modern, secure, low-maintenance luxury home with instant access to Weston's best parks, schools, healthcare, and commuting, this Botaniko Residence 04 delivers the perfect lifestyle in the perfect place.
