## Description

Brand-new modern mountain luxury home with breathtaking ski resort views in a gated community. This custom 4-bed, 4-bath home offers 20-foot ceilings, massive windows, two decks, two primary suites, and unobstructed views of Bear Mountain and Snow Summit —just minutes from skiing, the lake, and Big Bear Village. Welcome to 506 Woodbridge Drive, a brand-new, custom-built modern mountain home with unobstructed views of Bear Mountain and Snow Summit from nearly every angle. Completed this month, this stunning 4-bedroom, 4-bath home with a loft offers approximately 3,129 sq ft of luxury living in one of Big Bear's most desirable locations. Designed for both comfort and style, the home features two spacious primary suites—one on the main level and one upstairs—ideal for hosting or multi-generational living. Soaring 20-foot ceilings, a floating staircase with glass railings, and walls of high-end black-trim Andersen windows flood the space with natural light while showcasing panoramic ski resort and forest views. The open-concept layout includes a fully custom kitchen with a large waterfall island, premium finishes, and accent lighting throughout the kitchen and bathrooms. Two sleek electric fireplaces add warmth and ambiance, while motion and accent lighting elevate the home's modern design. Enjoy true indoor-outdoor living with two expansive decks, perfect for relaxing after a day on the slopes. Additional features include a large laundry/mudroom, owned solar panels, dual AC units, an attached two-car garage, and additional driveway parking. Located just minutes away from Bear Mountain/ Snow Summit, and within a gated community, this home offers luxury, views, and convenience—without compromise. A rare opportunity to own a fully custom, modern retreat in Big Bear.
