Description

Welcome home to 652 Dayton. This duplex offers lots of untapped potential that allows new owner to build in sweat equity. Home features 4 bedrooms and 2 bathrooms upstairs with additional space to finish for a big master bedroom. Downstairs has 2 br, 1 bath with recently updated bathroom. Home has updated siding, roofing, boilers and water heaters. The natural woodwork through out is all original and high ceilings. Off street parking with a 2 car garage. Great area and walking distance to restaurants, schools, parks and transportation. Please stop out for a tour and imagine the possibilities.
