Description

This spacious 4 bedroom plus den, 3 bath home is situated on an oversized corner cul-de-sac lot. The expansive primary suite features large walk-in closets, a separate shower and jacuzzi tub, and overlooks a private sun deck. The open concept kitchen includes an oversized center island with breakfast bar and an informal eat in area. Adjacent to the kitchen is a large formal dining room, perfect for entertaining. The expansive family room showcases a custom built skylight that fills the space with natural light. Sliding glass doors from the family room, dining room, and primary suite open seamlessly to the pool and lanai, creating a true indoor outdoor living experience. The home features an oversized garage with built-in cabinets and workbench, large laundry room and walk-in pantry. The large Southern facing lanai features a custom built in bar and a convenient pool bath just off the patio. Set within the established and highly desirable Kings Lake community, residents enjoy access to three beautiful lakes, scenic walking and biking paths, a tennis/pickleball court, and a lovely nature preserve-all with low HOA fees and minimal restrictions. And with 5th Avenue South and the iconic downtown Naples beach less than 10 minutes away, this outstanding property delivers the quintessential Naples lifestyle.
