## Description

Welcome to this beautifully crafted 4-bedroom, 2.5-bath Colonial on a prestigious block in Clifton, NJ, rebuilt as new construction on the original foundation in 2007 a total of approx 3300sqft of living space and offering a perfect blend of classic elegance and modern comfort. The exterior features an attractive stucco and stone facade with vinyl siding and oversized windows, gleaming hardwood floors, high ceilings, central air, forced hot air, and energy-efficient solar panels. The 1st floor offers an inviting foyer with 2 coat closets, a home office with bay window, spacious living room, tiled dining room, and an eat-in gourmet kitchen with custom cabinetry, granite countertops, stainless steel appliances, and a large center island, plus 2 French doors leading to a Trex deck ideal for entertaining, a bedroom with two closets, and an elegant powder room. Upstairs features an expansive primary suite with a huge walk-in closet, private balcony, and luxurious bath with double vanity, Jacuzzi tub, and jetted shower, along with 2 large bedrooms with double closets and a full bath with jetted tub. The full finished basement offers high ceilings and a dedicated laundry room, fully fenced backyard includes a patio, built-in shed, and sprinkler system. Additional highlights include a paver driveway, attached garage, and an unbeatable location minutes to major highways, steps to NYC bus transportation, close to train, shopping, country club, schools, parks, and houses of worship. Truly a must-see home!
