Description

Built in 2023, this Del Rey gem-set on an impressive 8,500 Sq Ft Flat Lot and designed by renowned Architect, Kenneth Niemersko-beautifully embodies modern living. The home features 4 Bedrooms and 3 Bathrooms with a spacious, flowing layout enhanced by advanced Smart Home technology. Upgrades include hardwiring for internet, a dedicated Zoom Room with a built-in desk, a Smart Closet for networking equipment, and integrated surround sound throughout the entertainment spaces. The Gourmet Chef's Kitchen boasts professional-grade appliances, a walk-in pantry, a large quartz-topped island with bar seating, and an additional expansive buffet counter. The great room has sliding glass doors, opening to a large yard with lush landscaping that blends interior comfort with natural beauty. The outdoor retreat includes a built-in BBQ and refrigerator-perfect for hosting gatherings or enjoying quiet evenings. The main floor includes a guest bedroom, a full bathroom, and an attached two-car garage with direct access. Upstairs, a generous Loft provides space for multiple uses. The Primary Suite features a tray ceiling, a walk-in closet, and a luxurious spa-inspired bathroom complete with dual vanities and a freestanding soaking tub-an ideal space for rest and rejuvenation. Fully owned Solar Panels add to the home's efficiency. Situated on a cul-de-sac near Sunkist Park and conveniently close to the 405, 10 and 90 freeways, the location is excellent for commuters. The beaches of Santa Monica, Venice, Marina Del Rey and Long Beach are just a short drive away, offering quintessential coastal living.
