Description

SKY VILLA: RE-IMAGINE ROYALTY IN THE WOODS. Sky Villa is an opportunity to DREAM BIG with unmatched grandeur & privacy. An Italian Renaissance mansion engineered to commercial standards, but now awaiting your completion. Easy ingress/egress off Hwy 92 and Skyline presents this estate in sequestered privacy. A long driveway descends to the motor court & the Villa's monumental architectural scale. A 2-Story Lobby with Imperial Staircase is the powerful opening salvo. 4 levels of destinations inspire your finishing details: a Library off of the lobby, Two Enormous Primary Suites on the two main levels, multiple Offices, immense walk-in closets, & unfinished lower levels of Rec Room, Wine Vault, Grand Loggia, & dreamy Mezzanine facing majestic Sequoia Forest. Flat rear grounds inspire a pool & ADU. Off-street parking for the most grand events, plus 2 separate attached garages: a daily 3-car at the motor court, plus a lower level 2-car attached garage. Long the bastion for Silicon Valley founders and CEO's, Woodside blurs the line between timeless province and epicenter of wealth and innovation. With SKY VILLA, you will take the lead as your own pioneer, a developer of a nearly complete architectural masterwork, ready to take flight in one of California's most prestigious communities.
