Description

Windstar on Naples Bay is one of only a select few communities that seamlessly combines a premier Golf & Country Club lifestyle with a true boating community, complete with its own private marina. While separate memberships apply, Windstar stands apart as a five-star enclave, just minutes from downtown Naples and offering direct private boat access to Keewaydin Island. An iconic location paired with thoughtful design and exceptional management has created a community that continues to exceed the expectations of even the most discerning owners. Yacht Harbor Cove, situated along Southpointe Marina, enjoys captivating views of the clubhouse and an ever-changing display of beautiful yachts. Unit 204, a desirable second-floor end residence, has just undergone a full redesign and is now truly move-in ready, offering every modern comfort. The residence features: A spacious primary suite Two guest en-suite bedrooms An oversized den/flex room, ideal for an office, media room, or additional guest space From the moment you enter, your eye is drawn to the marina views and stunning natural surroundings. The open floor plan is designed for both everyday living and entertaining, with the kitchen flowing effortlessly into the living area. Enjoy formal and casual dining options, complemented by a large center island perfect for gatherings. Additional highlights include: Private elevator access directly from your two-car garage Abundant natural light from the end-unit location Thoughtful finishes and updated design throughout Windstar is nestled within the vibrant Bayshore Arts District, just off Bayshore Drive-an exciting redevelopment area now home to some of Naples' most trendy restaurants, cafs, live music venues, boutiques, and coffee spots, all within walking distance. The highly anticipated pedestrian boardwalk, scheduled to open in February, will connect Bayshore Drive to Sugden Park, creating a greenspace experience unlike any other in Naples. There's so much more on the horizon-and this residence places you right at the center of it all.
