Description

This stunning 4 bedroom, 2.5 bathroom home is filled with breathtaking natural light and showcases a thoughtfully designed layout that feels both grand and inviting. The first floor living space is anchored by a dramatic floor to ceiling stone fireplace with customizable flame colors, allowing you to set the perfect ambiance for any occasions or quiet evenings as the area flows seamlessly into the kitchen and dining spaces. The eat in kitchen is a true showstopper, featuring a spacious island, generous counter space, a walk in pantry, and abundant cabinetry designed to support entertaining and everyday living. A sun-filled bedroom or home office on the main level offers versatility, enhanced by expansive windows that bring the outdoors in. The primary suite is a luxurious retreat with soaring vaulted ceilings, a spa inspired bathroom featuring dual vanities, a soaking tub, and an oversized wet room style shower, complemented by a generous walk in closet with custom shelving. Upstairs, a secondary family room opens onto a private balcony overlooking the gorgeous fairway providing a covered outdoor living space that elevates indoor outdoor living. Foam insulation and a water softener contribute to efficiency and comfort, while the spacious garage, mudroom, and well proportioned yard complete this exceptional home that truly stands out.
