Description

Well-maintained home located on a quiet street in the heart of Newark. This property offers a functional floor plan with comfortable living spaces. Features include a spacious living area, three bedrooms, and an eat-in kitchen, first floor laundry, first floor bedroom, and first floor full bathroom, with attached one car garage. The exterior offers a manageable yard ideal for outdoor enjoyment or low-maintenance living. Conveniently located near downtown Newark, local schools, parks, shopping, and dining, with easy access to major routes. A solid opportunity for owner-occupants or investors alike.
