Description

Live the Boca lifestyle in a designer-renovated 2 bedroom, 2 bath residence in La Paz at Boca Pointe, an all-ages, guard-gated community with rare optional country club membership. This ground-floor corner unit offers 1,636 total square feet, including the Florida room and lanai. No stairs. No elevators. A split floor plan designed for ease and privacy. Designer finishes set this home apart. The dining area opens to a glass-enclosed Florida room with direct walkout access and tranquil pond and garden views. The kitchen makes a bold statement with white high-gloss cabinetry, quartz leather countertops, a dramatic backlit stone geode pass-through, and premium Samsung appliances. The kitchen and primary bedroom both open to a screened lanai, extending the living space outdoors. Porcelain tile flooring flows throughout. Motorized blinds elevate the main living areas. Blackout blinds enhance the bedrooms. Full impact glass windows deliver efficiency and comfort while framing lush views. The primary suite is a private retreat featuring a spa-style bath with a jetted soaking tub, frameless walk-in shower with waterfall shower head, double vanity, and a custom California walk-in closet with built-in storage. The guest bedroom sits beside a sleek designer bath with a contemporary stall shower, ideal for guests or a refined home office. Additional upgrades include storm shutters, an in-unit Samsung washer and dryer, assigned parking, and extra storage. Residents enjoy two resort-style pools, tennis courts, a clubhouse, and scenic walking paths. Optional Boca Pointe Country Club membership offers golf, pickleball, padel, tennis, fitness, dining, and social opportunities. Minutes from Boca Raton beaches, shopping, dining, major highways, and top-rated schools. 7535 La Paz Boulevard, Unit 105, Boca Raton, FL Furnishings available. *Some photos virtually staged.
