Description

Welcome to 402 Lundy Ct, a fully renovated home tucked on a quiet cul-de-sac in Cranberry Township-offering an unbeatable combination of style, functionality, and an incredible location just minutes to major highways, shopping, dining, and all of Cranberry's top amenities. A dramatic two-story foyer makes a statement upon entry and opens into one of the best layouts you'll find in similar homes. 2,400sqft + finished basement! A wall was removed between the living room and dining room, creating a wide-open, connected main level with exceptional flow-perfect for entertaining and everyday living. The dining room was thoughtfully relocated, allowing the kitchen to be expanded into a massive chef's kitchen, completely gutted and customized with new cabinetry, appliances, and premium finishes. Upstairs features 4 bedrooms and fully renovated bathrooms, including a luxury primary suite with vaulted ceilings, walk-in closet, and spa-like bath showcasing designer tile, soaking tub, and a glass shower. The laundry was relocated to a highly functional space adjacent to the kitchen-adding convenience that truly elevates daily life. The finished lower level (2024) is a standout, featuring an awesome theater room with 98" high-end TV and theater seating included-a true home entertainment experience. In addition to the major renovations, the house was also updated mechanically. Major updates include French drains installed, new furnace, new water heater, plus new garage door openers. Outside, enjoy the new rear deck, a huge fully fenced backyard, and a large 2-car integral garage. You won't want to miss this one! Completely move-in ready with extensive renovations throughout-402 Lundy Ct is the rare Cranberry home that checks every box.
