## Description

Mid-century modern masterpiece positioned on a corner lot, offering the perfect blend of space, comfort, and flexibility. Featuring two distinct living areas, the first living room faces the front of the home and is filled with natural light, creating an inviting atmosphere that flows effortlessly into the dining area and kitchen. The second living space is more private and intimate, centered around a dramatic floor-to-ceiling wood-burning fireplace, ideal for cozy evenings. This thoughtfully designed home features two primary suites, with one suite strategically located at the front of the home for additional privacy. A versatile screened-in room overlooks the backyard, offering endless possibilitiesit can be used as a bedroom, reading nook, or a peaceful relaxation room. Toward the rear of the home, additional bedrooms and the second primary suite provide ample accommodations for family or guests. Adding to the property's appeal is a separate mother-in-law suite, complete with one bedroom, one bathroom, and a generous 720 square feet of living space. Perfect for guests, extended family, or even as an income-producing opportunity. Step outside to a backyard built for both relaxation and entertainment. An in-ground pool and hot tub set the stage for memorable gatherings, while the freshly laid St. Augustine sod enhances the overall beauty and usability of the space. Every inch of this backyard has been considered to maximize comfort, recreation, and effortless enjoyment. This home offers a rare opportunity to own a true mid-century gem with exceptional features inside and out. Whether you're looking for a flexible floorplan, multi-generational living, or simply a place to enjoy both quiet moments and lively celebrations, this property checks every box.
