Description

Welcome to this well-maintained split-level home set on a quiet cul-de-sac in a highly desirable neighborhood. The paver driveway and walkway lead you to the welcoming entry. Inside, abundant natural light fills the main living level where the living room flows seamlessly into the dining room and continues into the kitchen, an ideal layout for everyday living and entertaining. There is hardwood flooring under the carpet and throughout the home. The upper levels feature 3 comfortable bedrooms and an updated full bath. The finished basement provides flexible space which can be used as a family room, office, or gym. A separate 3-season room overlooks the yard, perfect as a peaceful retreat to enjoy the outdoors. Enjoy grilling and dining on the outdoor patio or just relaxing outside. Located close to NYC transportation, major roadways, shopping, and schools. This home combines comfort, convenience, and exceptional value in a sought-after location.
