Description

Tucked inside the exclusive gated enclave of Rancho De Candelaria, this North Valley gem offers refined luxury and rare privacy with only eight custom homes. Built by Las Ventanas, the residence features 3 bedrooms and 2 baths with an open-concept design, Pella windows, and designer lighting. The chef's kitchen flows seamlessly into light-filled living spaces, while the primary suite impresses with a spa-like steam shower and private backyard access. Step outside to a resort-style heated saltwater pool, cabana, and lush mature landscaping set on a large, private yard. Additional highlights include an oversized garage with 220 EV charger and a new Carrier AC/heating unit (2025)--where elegance, comfort, and craftsmanship meet. Third bedroom wired for theatre/media room.
