Description

Set behind lush landscaping on approximately 1.1 acres in South Coconut Grove, this expansive one-story residence delivers 11,766 total SF with 6 bedrooms, 7 full bathrooms, and a powder room. Designed for comfort and effortless entertaining, the home showcases 12-foot ceilings, wide-plank wood floors, impact French doors, and refined architectural detailing throughout. Multiple living areas include formal and casual spaces, a wet bar, staff quarters, and a showpiece kitchen outfitted with custom cabinetry, quartz surfaces, a walk-in pantry, and a full set of premium Wolf, Sub-Zero, and Miele appliances. Two generous primary suites feature private sitting area, office, spa-style marble baths, and custom walk-in closets. The outdoor setting feels like a private resort, offering covered terraces, a heated pool, a separate oversized spa, half basketball court, volleyball court, outdoor entertaining areas, and a detached guest house currently configured as a gym. Additional features include a 4-car garage, whole-home generator, advanced smart home and security systems, and expansive grounds ideal for refined Grove living.
