Description

Beautifully crafted 2024-built home backing to a wooded tree line with privacy and boasting modern upgrades throughout. Features include engineered wood floors, quartz counter tops, soft close cabinetry, stone gas log fireplace, stylish lighting. Vaulted open living area is stunning as is rest of home with its 10ft ceilings and wide crown molding. Also, looking lovely are the 4 bedrooms & 2 baths. The large hall bath offers dual sinks and lots of storage. The primary bedroom is perfect with lots of natural light, view of the woods and plenty of space. Oh, how you'll love the primary bath it's your own oasis behind closed doors, separate vanities, custom tile shower and soaking tub to relax and melt your stress away. This home is special so don't miss out. Backyard is larger than what's fenced in. Why wait to build when this home offers so much comfort and beauty you will love being home and creating feature memories.
