## Description

Upon arrival, the home is situated beside a neighborhood pond, offering a sense of privacy and a peaceful setting. The exterior features an inviting front porch and a screened-in rear porch with an extended patio and wooden fenced backyard, providing excellent outdoor living and entertaining space. The main level is thoughtfully designed and well maintained. It includes a guest bedroom (Bedroom #5) with a full bathroom, ideal for visitors or multi-generational living. The open staircase allows for ample natural light and leads to the upper level, where the majority of the bedrooms are located. Upstairs, to the left at the top of the stairs, is the FROG/Bedroom #5 with its own full bath. Adjacent is a dedicated office with glass French doors. The rear portion of the upper level is devoted to the primary suite, offering privacy from the other bedrooms. The primary suite includes a spacious bathroom and an oversized walk-in closet. The laundry room is also located upstairs for convenience. The main living areas feature an open and functional floor plan. The kitchen offers generous counter space, a long center island suitable for meal preparation or casual seating, and a breakfast nook with direct access to the screened-in porch. The living room is spacious enough for both entertaining and everyday living. A designated drop zone is located just inside the entry from the garage, providing space for coats, shoes, and daily essentials. Overall, the home offers a well-planned layout with flexible living spaces, abundant natural light, and indoor-outdoor flow, making it suitable for a variety of lifestyles.
