## Description

Welcome to this sun-filled 4-bedroom Custom Colonial offering nearly 3,800 square feet of living space, set on a level, open corner lot in Pittstown's desirable Alexandria Township, just minutes to I-78 for an easy commute. A grand two-story foyer makes a striking first impression, while the home's showpiece family room features soaring 18-foot ceilings and a cozy gas fireplace ideal for relaxing nights in or entertaining. At the heart of the home is a large gourmet kitchen with granite countertops, a Bosch range, and a double-door Sub-Zero refrigerator, offering plenty of room to cook and gather. French doors open to a private library/office, perfect for working from home or a quiet retreat. The first level offers hardwood floors throughout, while the second level features wall-to-wall carpeting. Upstairs, you'll find the expansive primary suite with endless closet space and a well-appointed primary bath, plus three generously sized bedrooms and a main full bath. Classic architectural details including dormers and Palladian windows add charm and bring in beautiful natural light. Alexandria Township is celebrated for its rural beauty, rolling farmland, and open-space preservation, with nearby historic villages adding to the area's timeless appeal. Fireplace being sold as-is.
