Description

Welcome to 2005 Stargrass Avenue, a truly magnificent residence nestled within the Grove City Schools. This meticulously maintained and thoughtfully designed, offers a harmonious blend of elegance and comfort. Upon entering, you are greeted by the warmth of Brazilian Koa hardwood floors that grace the expansive lower level, complemented by soaring 9-foot ceilings and newer windows that invite abundant natural light. The home features four generously sized bedrooms, a versatile den that can easily serve as a fifth bedroom, and two and a half baths, ensuring ample space for a growing family or multigenerational living. The heart of this home is its open-concept kitchen, where culinary dreams come to life. Complete with a kegerator for entertaining, the kitchen seamlessly flows into the inviting living room, where a gas and wood-burning fireplace serves as a cozy focal point. A separate eating space, enhanced by bay windows in the dinette, and an individual dining room provide the perfect settings for intimate dinners and large gatherings alike. Step outside and discover a backyard oasis that beckons you to unwind. A 12'x24' kidney-shaped fiberglass pool, adorned with a safe retractable and energy-efficient cover, promises endless hours of relaxation and fun. The fenced-in yard, complete with an attached pergola, offers a private sanctuary for both leisure and entertainment. The primary bedroom is a retreat unto itself, featuring a cathedral ceiling and an en suite bathroom. The organized laundry room, mudroom space, 3rd car pad on driveway and newer hot water tank further enhances the home's functionality and appeal. This 2,638 square foot property is more than just a house; it is a testament to refined living, where every detail has been carefully curated.
