Description

Experience one of the most exquisite custom-built homes currently on the market in North Albuquerque Acres. This stunning 7-bedroom, 7-bath estate sits on a fully walled and automatically gated, beautifully landscaped 0.89-acre lot, offering privacy, elegance, and resort-style living. The home features fresh interior paint, newly installed 4-foot marble flooring, hand-scraped wood floors, and custom cabinetry throughout. The high-end chef's kitchen is designed to impress even the most discerning culinary enthusiast, showcasing quartzite waterfall countertops, casement windows, designer lighting, and exceptional craftsmanship. Entertain and relax outdoors with a 23,000-gallon resort-style pool, fire pits, and manicured grounds. Additional highlights include owned solar
