Description

Set on an exceptional 75x223 property in Paramus, this spacious 5-bedroom residence offers generous room sizes and long-term potential. The home provides approximately 2,458 sq ft above grade, with a finished lower level that expands the overall living footprint to nearly 3,000 sq ft. The interior features a large family room with a wood-burning fireplace, a spacious kitchen with a large island, and a dining room. Three bedrooms are located on the first floor, with two additional bedrooms on the second floor. The home includes 2 full baths and 1 half bath. The finished basement offers additional living space with direct access to the yard and the attached one-car garage. Outdoor features include a deck, an expansive patio, and a deep yard offering flexibility for outdoor enjoyment or future improvements. Multi-zone gas baseboard heat, window air conditioning units, and a roof replaced approximately 2.5 years ago add to the home's value. An extended driveway accommodates multiple vehicles. Conveniently located near shopping, schools, and NYC transportation.
