Description

Welcome to a truly one-of-a-kind dream home nestled within 4.71 acres of pure privacy and natural beauty. This residence combines the feel of rural living with an array of modern upgrades, but close to all amenities, making it a true gem that you won't want to miss! From the new and expansive paved drive, take the sidewalk and notice the water feature as you approach the home. Enjoy the breathtaking view from your covered front porch, complete with added fans, roll-down sunshade, hand railing, and a gate for safety. To enter, step through an etched glass entry door complemented by two etched sidelights shining natural light on the spacious entry. Find the formal living room boasting double windows and new carpet. Be impressed by bamboo flooring and double windows in the formal dining room. Experience the warmth of the gas log burning fireplace with its handmade black walnut mantle and trim, perfect for cozy evenings in the formal living room. The family room offers new carpet and is totally open to kitchen, with two windows for a perfect view of the expansive backyard. The main level features a spacious, well-appointed eat-in kitchen boasting solid hard ash wood cabinets, Corian countertops, and ceramic flooring. Prepare meals with ease using the kitchen island's built-in gas cooktop, JennAir grill with exhaust, electric convection oven, built in microwave, newer dishwasher and refrigerator, plus a new touchless, reverse osmosis kitchen faucet. A large pantry with roll-out shelves adds to the convenience. The dining area has French doors leading to a spacious patio overlooking private backyard. The newly fenced back yard offers custom garden boxes, and variety of fruit trees-including peach, nectarine, apricot and apple-creating a gardener's paradise with plantings such as asparagus, blueberries, boysenberries and more. Finishing the first floor is a powder room boasting a quartz-topped vanity, new lighting, and fixtures. Upstairs, find 3 spacious bedrooms (all with new carpet!), a vaulted master suite that also offers a vaulted master bathroom, a walk-in closet, ceramic surround jetted tub, and separate shower. The hall bath also boasts a ceramic surround and a jetted tub. A fully equipped spacious laundry has new wood like floor. All bedrooms boast new carpet and fans. The expansive lower level opens up a world of possibilities. It features a potential in-law suite with an elevator/lift shaft in place. Enjoy movie nights in the enormous game room furnished with a wireless projector, screen, and surround sound, featuring all new wood-like flooring. Find two bedrooms, a full bath, an exercise room, and a perfect area to add a kitchen for that in-law suite! The den boasts durable Pergo flooring, while the exercise room could serve as a fifth bedroom if desired. The basement also includes new shower and floor enhancements, custom stairs with built-in storage, smart light switches, and more. This home is equipped with a range of updated amenities, including a commercial-sized water heater, UV filtration, and water softener in the basement utility room. Further enhancements include a new water pressure bladder tank, new furnace with electric boost to AC for smooth start, smart thermostat, new smart locks, new light fixtures. Additional upgrades include new carpeting throughout the home, and lots of fresh paint! The paved driveway leads to a convenient oversized attached two-car garage that offers steps to the lower level and direct access to the kitchen, further accentuating the practical use of this property. Serene and picturesque, this residence promises relaxation and tranquility paired with modern conveniences. Don't miss out on calling this beautiful property your home! Drone photography to be added when the weather improves.
