Description

Well-maintained RANCH home located in the heart of Apex. A 2006 renovation expanded the home to include an additional primary or flexible-use suite on the main level, along with a bonus room upstairs. The home offers 4 bedrooms and 3 full bathrooms on a .39-acre lot, with space that could accommodate a future garage. Interior features include hardwood floors in the family and dining rooms, newer carpet in the bedrooms and bonus room, and LVP flooring in the kitchen and baths. Additional updates include fresh interior paint, smooth ceilings, a roof and gutters replaced in 2023, EV charging added in 2024, and a new water heater in 2025. Solar panels added in 2022 which means little to no utility bill. No HOA restrictions. Conveniently located approximately mile from Apex High School, 1 mile from downtown Apex and Costco, and about 10 miles from Jordan Lake. A rare ranch-style home offering flexible living spaces in a highly convenient location. 1 year home warranty with 210 Home Warranty
