Description

Welcome to this beautifully crafted new-construction townhome offering just over 3,000 square feet of thoughtfully designed living space in a prime location near downtown Tucker. Built by Kimball Built Homes, this 4-bedroom, 3.5-bath residence blends modern style with everyday functionality and showcases quality craftsmanship throughout. The main level features a highly desirable bedroom with an ensuite bath, ideal for guests, a private office, or multigenerational living, along with an additional powder room. The heart of the home is the open-concept living and dining area, where high ceilings, hardwood floors, and abundant natural light create an inviting and elevated atmosphere. The chef's kitchen is finished with quartz countertops, generous cabinetry, and seamless flow to both the outdoor patio and screened-in porch-perfect for entertaining or relaxed everyday living. Upstairs, the second level offers three additional bedrooms and two full baths, including a spacious primary suite designed as a true retreat with large walk-in closets and a well-appointed bath. Completing the upper level is a dedicated office nook, ideal for remote work, homework space, or a quiet reading area-adding valuable flexibility to today's modern lifestyle. Conveniently located near Tucker's shops, restaurants, and community amenities, this home combines the appeal of new construction with a vibrant, walkable lifestyle. A rare opportunity to enjoy modern living in one of Tucker's most desirable locations. Up to \$7,500 in closing costs are available with our preferred lender.
