Description

Luxury living beyond expectations - Sweeping, breathtaking views unfold in a way that can only be fully appreciated in person. Meticulously redesigned and rebuilt, the home blends architectural sophistication with tranquility, oriented to capture expansive ocean views, mountain ranges, and iconic Diamond Head stretching as far as the eye can see. High ceilings, an open floor plan, and beautiful finishes elevate both form and function, with the home thoughtfully designed for effortless entertaining. Expansive living spaces and a seamless indoor/outdoor flow create the perfect setting for gatherings, allowing the home to live as beautifully as it looks. The architectural design is further enhanced by premium, custom-made and imported Eagon aluminum doors engineered for luxury living, offering exceptional thermal performance and effortless function. Refined design, coastal serenity, and craftsmanship that speaks for itself. Walk through video and upgrades and features list attached. Rebuilt in 2023!
