Description

So much home for the money with over 2,000 square feet of living space. This well-designed 2-story offers a formal living room, formal dining room, an eat-in kitchen, four generously sized bedrooms, and hardwood floors throughout most of the home. The sellers have completed a long list of valuable improvements, including replaced kitchen cabinets, counters, and appliances, new deck, new front, side, and back doors, tile added to the kitchen and main-floor bathroom, overhead lighting added in the family room and living room, refinished floors, redone upstairs bathroom with new tub, surround, vanity, countertop, and mirror, all interior doors and trim replaced, newer washer and dryer, and a refinished master bath shower with a new shower door. Additional highlights include a full basement, 2-car garage, new exterior paint on most of the home, roof (2013), furnace (2017), and an incredible outdoor entertainment area featuring a new deck, fenced yard, and beautiful low-maintenance landscaping overlooking a wooded park. All of this just minutes from downtown and located in the highly desirable Downers Grove North High School district, come see it today, The Dan Firks Team would love to welcome you home.
