Description

Welcome to this spacious and versatile 5-bedroom, 3 full bath Colonial set on a generous corner property entering a coveted cul-de-sac in Wayne. Designed for comfortable living with an oversized kitchen and dining area, this home offers a unique, custom floor plan. This center hall colonial features sun-filled living spaces, a well-proportioned kitchen with ample cabinetry, and seamless flow for everyday living and entertaining. The sprawling living room has ample space for hosting social gatherings. This beautiful home offers two main bedroom options. There is a large bedroom with two closets on one side of the house and the other side of the home offers a bedroom suite including 2 private bedrooms, full bath, and living area?perfect for added privacy. The second floor hosts 5 bedrooms in total and 2 full bathrooms to ensure convenience for all. Outside, the level yard offers plenty of space for outdoor enjoyment , gatherings and gardening. With its classic Colonial charm, sprawling layout, and primary suite flexibility, this property presents a rare opportunity to meet today?s lifestyle needs in a timeless home.
