## Description

This stunning home features a large open floor plan designed for both everyday living and effortless entertaining. Offering four spacious bedrooms plus a dedicated office, the layout includes a large mother-in-law suite or second primary bedroom, perfect for multigenerational living or guest privacy. The heart of the home is the expansive kitchen, highlighted by a huge center island, ample counter space, and seamless flow into the main living areas. A theater-style media room with projector creates the ultimate at-home entertainment experience. Step outside to enjoy a large back patio overlooking an oversized, private backyard-ideal for gatherings or relaxing in your own outdoor retreat. Upstairs, an amazing screened-in patio with a built-in bar provides a unique space to unwind or entertain year-round. Complete with a three-car garage and thoughtful upgrades throughout, this home combines space, comfort, and functionality in a truly exceptional way.
