Description

Light-filled and welcoming, this thoughtfully updated 3-bedroom, 1.5-bath home blends charm, comfort, and modern convenience. A cozy living room flows into a dedicated dining room, creating an inviting space for everyday living and entertaining. The large eat-in kitchen is a standout feature, offering abundant cabinetry, generous counterspace, a breakfast bar, and room to gather-perfect for cooking, hosting, or simply enjoying your morning coffee. All appliances are included for a truly move-in-ready experience. The first-floor bedroom and full bath add valuable flexibility, ideal for guests, multigenerational living, or anyone seeking easy main-level accessibility. Upstairs, you'll find beautifully refinished hardwood floors in the hall and one of the two spacious bedrooms, a half bath, and the large primary featuring two closets. The walk-up attic offers plenty of storage for all of your decorations. A covered front porch welcomes you home, while the covered back deck extends your living space outdoors. The expansive, flat fenced yard is perfect for pets, play, gardening, or relaxing evenings. A shed and off-street parking add everyday practicality. The basement, equipped with French drains, offers excellent potential-finish it into a game room, home gym, or workshop. Major updates provide peace of mind: newer metal roof, furnace, central AC, water heater, flooring, electrical, vinyl siding, and fully updated kitchen and baths. Located on a lovely street in the heart of Natrona Heights, this home offers quick access to Route 28, the city, shopping, restaurants, and hospitals-making daily life incredibly convenient.
