Description

Bright 1-story courtyard home designed for relaxed living & entertaining. Set on a wide lot backing to a nature preserve, this home offers privacy & inviting outdoor spaces. Features 4 large bedrooms & 3 full baths, including a guest suite by the pool. Meticulously maintained & thoughtfully updated, the home features an open kitchen with quartz counters, stainless steel appliances, induction cooktop, & pull-out cabinetry. Manicured landscaping, a circular driveway with ample parking, garage with epoxy flooring & added storage enhance everyday convenience. Custom closets, central vac, beautiful blinds & plantation shutters, & a suite of smart-home features complete this exceptional property. Amenities include a manned gate, cable, internet, clubhouse, pool, tennis, pickleball, & fitness.
