Description

Classic 1928 Tudor charmer meets modern luxury in Mount Lebanon. This two-story, 4 bedroom, 4 bath residence has an exceptional primary owner suite featuring a loft style sitting-den area, walk-in closet and a huge private bath. The upstairs main bath has a separate shower, tub and double sinks. From the main entry step into a formal living room with wood-burning fireplace that opens to the sunroom. Beautiful hardwood floors and marble style tile floors throughout. A huge formal dining room for entertaining plus a second dining area for everyday meals. Convenient main floor powder room, and pantry closet. The heart of the home is an amazing great room with an open kitchen. A center island cooktop counter with hood vent, all appliances stay. French doors lead to the stone patio for easy outdoor living. Downstairs an industrial style game room with additional storage rooms. Laundry includes washer and dryer. The stunning full bath has a sauna room. A gas forced air, furnace, central air, +5 split units service the house. There is a tandem 2 car garage plus off street parking for 3 to 4 cars. Includes a shed and one year AHS Home Warranty. New Year, New Home.
