## Description

It is hard to believe anyone lives in this home! Well maintained and immaculate! Somehow it manages to feel both stylish and instantly comfortable—where you kick off your shoes and stay awhile. Inside, plank wood floors and numerous large windows create a warm, happy backdrop for everyday life. With 4 bedrooms plus a flexible office/den, you can finally have that “extra room” everyone wants. The kitchen is truly the heart of the home, with generous cabinetry, counter space, stainless steel appliances, 5-burner gas cooktop, pantry and large island. The primary suite is tucked away on the main level, along with a second bedroom. Upstairs, two additional bedrooms are ready for family, guests, or whatever life brings next. And then there’s the enclosed patio—perfect for morning coffee, evening unwinding, or quiet moments. Warm, welcoming, and completely move-in ready, this is the kind of home where memories happen naturally. Bonus: Centrally located and only 15 minutes to Walmart Corporate or Tyson Headquarters.
