Description

Pool ready and thoughtfully designed 5-bedroom, 4-bath estate home is built intentionally for both indoor and outdoor living. Offering exceptional use of space, refined finishes, and everyday ease, all complemented by a rare three-car side-load garage. Located on a half-acre cul-de-sac lot this home delivers with every detail. Finished in a timeless blend of brick, stone, and fiber-cement siding, the exterior makes a strong first impression, while a custom paver patio and covered porch create an ideal setting for outdoor living and entertaining. Inside, more than 3,850 square feet of thoughtfully designed interior features including hardwood and tile floors, soaring ceilings, LED lighting, pre wiring for whole home generator and refined architectural detailing throughout. At the heart of the home is a stunning chef's kitchen anchored by an oversized island and outfitted with a gas range with dual ovens, stainless-steel vent hood, in-drawer microwave, walk-in pantry, and built-in column refrigerator and freezer. The kitchen opens seamlessly to the great room, where coffered ceilings and a sleek gas fireplace create an inviting yet elevated atmosphere. A formal dining room, breakfast nook, and mudroom complete the main living areas. The main level primary suite is privately situated in wing and serves as a true retreat, featuring a spa-inspired bath with a separate soaking tub, tiled walk-in shower, and an custom walk-in closet. Three additional spacious bedrooms and two full baths are also located on the main level. Upstairs, a bonus family and media room, a flexible bonus room or office area, and a fifth bedroom with a full bath provide added versatility for guests, work-from-home needs, or recreation. Outdoors is designed for function with the enclosed porch overlooking the fully fenced pool ready back yard complete with a new permeable paver patio This home is ready to be moved into.
