Description

Tucked among mature trees with scenic Bay views, this beautifully designed 4-bedroom, 3-bath home offers a flexible multi-level floor plan, abundant natural light & exceptional indoor-outdoor living. The main level features an inviting living room with a charming wood-burning fireplace & cozy dining area. The kitchen opens to a spacious family room with multiple access doors leading to a generous outdoor deck perfect for entertaining and enjoying the tranquil views. Just a few steps up, the private bedroom wing includes a serene primary suite with ensuite bath & direct access to an outdoor deck, along with two additional bedrooms & a full bath. The lower level offers exceptional versatility with a private 4th bedroom and full bath, ideal for guests, multigenerational living or a home office. A few steps down, a large bonus room with fireplace provides the perfect space for a second family room, media room or home gym. This level opens to an expansive deck and a large, flat grassy backyard, surrounded by mature trees that create a peaceful, park-like setting. Oversized two-car garage with extra storage. Ideally located close to vibrant downtown San Carlos, parks, and top-rated schools, this home offers a rare combination of privacy, views, and flexible living. Welcome home!
