Description

Exciting new home on Revitalized Cottonwood St. at the edge of downtown Fort Worth! Discover this beautiful and energy efficient home in a charming historic neighborhood. With full foam encapsulation and high end features throughout, this home offers the perfect blend of Modern comfort with classic appeal. Boasting 4 bedrooms and 2 full bathrooms, the open concept living area flows seamlessly into the gourmet kitchen, ideal for both entertaining and everyday living. The backyard, surrounded by mature trees, provides a peaceful retreat. An oversized garage with large attic storage is very rare, as well as a covered front porch and back patio. Inside you'll find elegant marble countertops, cathedral Ceiling, energy efficient argon windows, luxury vinyl plank flooring and a fully insulated garage door. Every detail from the thoughtfully designed kitchen to the walk-in closets offers a touch of luxury. The home is equipped with Gutters, Foundation drip line and a advanced irrigation ensuring lush , year round enjoyment of both the front and the backyard.
