## Description

This custom Lakewood Heights residence offers a level of design and functionality rarely found in the area. Spanning nearly 2,900 sq ft, this thoughtfully reimagined home delivers dramatic spaces, premium upgrades, and an indoor-outdoor lifestyle ideal for buyers seeking something truly unique. At the heart of the home is a chef's kitchen remodeled with professional-grade appliances, including a 48" refrigerator, 7-burner gas range, wine and beverage refrigeration, expansive stone countertops, and a statement island. Vaulted ceilings, skylights, and curated lighting flood the space with natural light, while the adjacent living area features a fireplace and custom built-ins for added warmth and character. A four-season sunroom opens seamlessly to a private backyard retreat designed for entertaining, complete with a covered gazebo, built-in pizza oven, Blackstone griddle, Egg grill, and fire pit. The primary suite is a true sanctuary with a built-in coffee bar and a spa-inspired bath renovated in 2024 featuring dual vanities and a custom walk-in shower. A lofted flex space with a Juliet balcony offers an ideal home office or creative retreat. The lower level includes two additional bedrooms, a full bath, a large flex/media space, and a second laundry area. With abundant storage, a whole-home generator, easy highway access, and proximity to shopping and dining, this home delivers exceptional lifestyle value. Schedule your private showing today.
